As of March 29<sup>th</sup> 2019, we have a balance of \$15,349.45 in our account. We have 42 accounts not up to date. Letters will be sent out in July letting them be aware of this. Animal control and abuse issues covered. Animal control agents have been monitoring Several Properties in our community.

Information is available online at [Animalcontrol.org](http://Animalcontrol.org).

We have been in contact with Mr. Draves about getting some work done on the Docks. We would like to see this area become user friendly.

Areas of concern include Water depth, cleanliness, and safety of the Dock area. There are some concerns about our Village sign not working properly.

Mr. Shake has been working to keep them lit any suggestions will be welcome. Carol Lane will be sending out Welcome letters to new property owners. Thank You Carol. Marion County Senior Center has a new and improved menu might be worth a try. They need support too.

Do not leave food stuff out for Cats this will attract Bears and is against the Marion County codes. Keep a watch out for neighbor's property If anything is wrong report it to The
