Attention Silver Springs Village community homeowners and members:

The packet you are receiving is for revitalizing the community's, SILVER SPRINGS VILLAGE, governing documents for the homeowners' association. The Organizing Committee is taking the steps necessary under Florida Statutes, Sections 720.403 to 720.407, to make sure the homeowners' association and the governing documents continue to protect the Silver Springs Village and its members/owners. By revitalizing the governing documents, the homeowners' association, Silver Springs Village Property Owners Association, Inc., may be able to for at least another 30 years maintain, operate, and repair the common areas and enforce restrictions in the community that protect the residents and property values.

In order to revitalize the declaration of covenants and/or other governing documents a majority of the members must vote or consent in writing to approve revitalization of the proposed new governing document(s). A copy of the complete text of the proposed revived declaration of covenants, the proposed new or existing articles of incorporation and bylaws of the association, and a graphic depiction of the property to be governed by the revived declaration is attached hereto. In more than fourteen (14) days from now a written agreement will be circulated for members/owners to consent to the revitalization if he/she/it so chooses.

The proposed new governing document(s) has no new restrictions and is a duplicate of the prior one(s) with the exception of some changes or deletions for things that are no longer applicable to the community, and includes an exhibit (Exhibit "A" to the proposed revived declaration) identifying each lot that is to be subject to the governing document(s) by its legal description, name of the parcel owner, and other related information for all 270 lots.

The homeowners' association's counsel handling the revitalization is Bradford J. Tropello, Esquire, of Blanchard, Merriam, Adel, Kirkland & Green, P.A.; P.O. Box 1869, Ocala, Florida 34478; and Phone Number (352) 732-7218.

Thank you.
